Dream Team

## Content Connections

Math & Science: In math, students will determine the perimeter of polygons, including finding the perimeter given the side lengths and finding an unknown side length. In science, students will analyze characteristics of environments and describe how the environment supports different living things.

ELA & Social Studies: In ELA students will be able to write a text dependent analysis with an introduction, body, and conclusion, use context clues, identify multiple meaning words, and look at Greek words to determine the meaning of a word. In Social Studies students will be able to identify the events and battles of the Revolutionary War.

In Read 180, students will participate in independent reading, software, and small group. In small group, we will target specific reading/writing skills based on the needs of the group.

### Third Grade Teachers Contact Info:

Jessica Burnette (Math/Sci) • jburnette@spartanburg4.org • ext. 4260  
Celeste Lyda/Trista Schar (ELA/SS) • clyda@spartanburg4.org • ext. 4251  
Samantha Wood (Math/Sci) • swood@spartanburg4.org • ext. 4259  
Alysia Hayes (Read 180/SS) • ahayes@spartanburg4.org • ext. 4246  
Joy Mitchell (ELA/SS) • jmitchell@spartanburg4.org • ext. 4262  
Deidre Robinson (Math/Sci) • drobinson@spartanburg4.org • ext. 4248  
Chasity Watson (Math/Sci) • cwatson@spartanburg4.org • ext. 4249  
Erin Patterson (ELA/SS) • epatterson@spartanburg4.org • ext. 4261
