

Daily Review Examples Applying Math

**MONDAY**

Students in Second Grade

teachers	Mrs. C	
	Ms. K	
	Mrs. L	
	Mrs. J	
	Ms. N	
	Ms. S	

= 5 students

1. How many students are in Mrs. L's class?  
\_\_\_\_\_
2. How many students are in Ms. S's class?  
\_\_\_\_\_
3. How many more students are in Mrs. L's class than Ms. N's class?  
\_\_\_\_\_
4. How many fewer students does Mrs. J have than Mrs. C?  
\_\_\_\_\_
5. How many students are in Ms. S, Ms. K, and Mrs. J's class?  
\_\_\_\_\_

**TUESDAY**

Lost And Found

school supplies							
							
							
							
		2	4	6	8	10	12
number of lost school supplies							

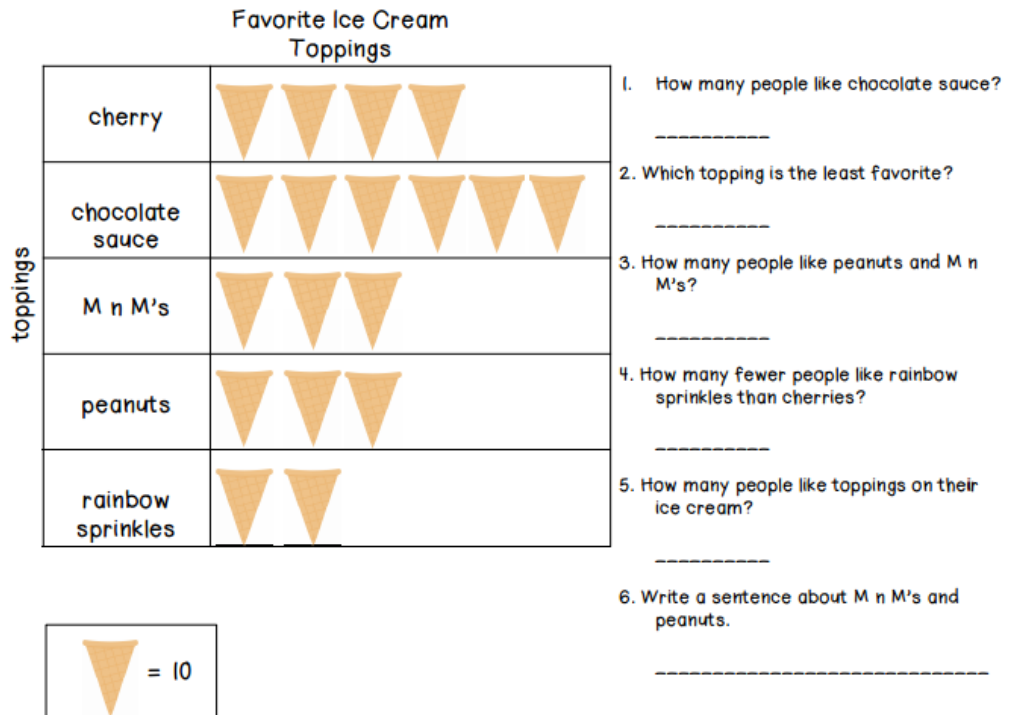

1. How many pencils were in the Lost and Found?  
\_\_\_\_\_
2. How many more crayons than erasers were in the Lost and Found?  
\_\_\_\_\_
3. How many fewer erasers than pencils were in the Lost and Found?  
\_\_\_\_\_
4. How many crayons and pencils were in the Lost and Found?  
\_\_\_\_\_
5. How many supplies were in the Lost and Found?  
\_\_\_\_\_
