

**LESSON**  
**2•6**
**Math Boxes**

1. Complete the fact extensions.

$13 = 6 + 7$

$\underline{\hspace{2cm}} = 16 + 7$

$\underline{\hspace{2cm}} = 26 + 7$

$\underline{\hspace{2cm}} = 106 + 7$

$\underline{\hspace{2cm}} = 136 + 7$

**Unit**

2. Fill in the blanks.

$\underline{\hspace{2cm}} + 9 = 50$

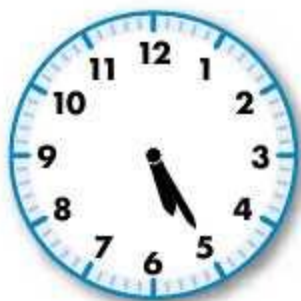

$24 + \underline{\hspace{2cm}} = 30$

$\underline{\hspace{2cm}} = 70 - 8$

$\underline{\hspace{2cm}} + 73 = 80$

**Unit**

3. About what time is it? Fill in the circle next to the best answer.

- A.** 5:30       **B.** 5:05  
 **C.** 6:25       **D.** 5:25

4. Find the rule and complete the table.
