

WELCOME

Dear Students & Parents,

Welcome to 3rd grade registration! We hope everyone is having a wonderful Summer break! We are very excited about our 2016-2017 school year. We will only have your child for a short time so we want to make a contribution that will last a lifetime.

We intend to make communication one of our top priorities this year. Aside from our weekly newsletter, we also plan to keep you informed through email. Each week, we will send out a digital version of our newsletter, homework sheets, helpful links, and information about the standards being taught in class during that week. **Before you leave today, please make sure that we have an email on file for you!**

We ask that you fill out all of the forms that are in the front pocket of this folder and return them to us before leaving. If you have already printed and filled them out at home, simply swap out those completed and hand them in to one of us.

This folder is for you to keep. There are many handouts of important information that we want you to read when you have time and can devote your full attention.

Parents, you have homework! Before August 16, please use the next handout to sign up for our Remind text service and Class Dojo, our behavior management program.

We are looking forward to an amazing year!

Mrs. Burnette & Ms. Mitchell
