

January 18, 2017

Dear Parents/Guardians,

Science Fair time is just around the corner! The students are busy learning the Scientific Method and how to complete a successful science fair project. Our WES Science Fair will be held on Tuesday, February 14th and 1st – 3rd place winners in each category can submit their projects to the Regional Science Fair that is held at USC Upstate on Tuesday, February 21st.

Science Fair projects must be turned in to Woodruff Elementary on Tuesday, February 14, 2017 by 8:15am. Projects will be tagged, categorized, and displayed in various locations within WES school building. A panel of outside judges will come in and judge the projects Tuesday afternoon after school. Parents/Guardians will have the opportunity to view projects on Wednesday, February 15, 2017 from 9am to 1pm.

If your child is planning to enter the Science Fair, he or she will need some type of display board. They can be made of different materials such as wood, thick poster board, etc. or they may be purchased in stores. For your convenience, our school will be placing an order for display boards. The boards will be 36" x 48". The boards will be \$3.00 each. We will also offer headers for \$2.00, but they are optional.

If you would like to order a display board and/or a header for your child, please fill out the form below and send it along with the money to your child's science teacher no later than Tuesday, January 24, 2017. We will accept cash or check. If you are sending cash, please send the exact amount. All checks should be made payable to Woodruff Elementary School.

***We will submit orders on Wednesday, January 25th. Orders typically take 7-10 business days to process and ship, so please be aware that you will not receive these boards until approximately February 3 – 6.

Thank you,

WES Math / Science Committee
