Watershed

Our school is privileged to partner with USC Upstate Watershed Ecology Center to bring in hands on science lessons that complement our standards and curriculum. They will visit our school 9 times throughout the school year and our first session will be at the end of September. The total cost for the Watershed Ecology program for the school year is **\$7** per child. We ask that you send this money to school in an envelope labeled with your child's name and "Watershed" **by Wednesday, September 20th** to ensure that your child is able to attend our first session.

Please remember that our school is collecting box tops for education. The homeroom that collects the most box tops will win a pizza party!

penny wars

Student council is also conducting a penny war to raise money for Hurricane Harvey victims in Texas. Please send in money by Friday, September 15. All homerooms that raise at least \$50 will get 30 minute extra recess and the homeroom that raises the most will earn a pizza party!

Tune
in

Interims will be issued this Wednesday. Please remember that you can view grades and averages as they are entered using the PowerSchool app.
