Watershed

Please do not forget to send money for Watershed!!!

The total cost for the Watershed Ecology program for the school year is **\$7** per child. We ask that you send this money to school in an envelope labeled with your child's name and "Watershed" **by Wednesday, September 20th** to ensure that your child is able to attend our first session.

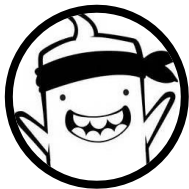

Please remember that our school is collecting box tops for education. The homeroom that collects the most box tops will win a pizza party!

Student Agendas

Every student at WES is required to have a student agenda. Homework assignments are written in these, and they are also used as hall passes and to reference our handbook. Please make sure your student brings their agenda to school **every** day. If your child does not have an agenda, please send \$10 as soon as possible to purchase one.

Please sign up for Class Dojo as soon as possible!
