Content Connections

Math & Science: In math, students will complete review for all strands and standards for 3rd grade math. In science, students will analyze characteristics of environments and describe how the environment supports different living things.

ELA & Social Studies: In ELA and Social Studies students will review past standards, practice text dependent analysis, and complete test prep for the SC Ready Assessment.

In Read 180, students will participate in independent reading, software, and small group. In small group, we will target specific reading/writing skills based on the needs of the group.
