Content Connection:

In Math & Science, In math, we will continue with multiplication through 10x10. We are learning about rocks, minerals, and soils in Science.

In ELA & Social Studies, we will work on author's purpose and personal narratives. In SS we will continue working on explorers. Homework will change to be part of the investigations packet.

In Read 180 Workshop, students will focus on analyzing character while reading. Also, they will read independently, complete a comprehension graphic organizer, and take a quiz on their book. They will continue work in software zones.
