Elementary
Dream Team

Content Connections

Math & Science: In math, students will collect, organize, classify and interpret data and draw a scaled picture graph and bar graph to represent the data. In science, students will explain how humans affect and change the Earth's surface.

ELA & Social Studies: In ELA students will compare and contrast texts, identify idioms, identify alliteration and rhyming, and write a text dependent analysis. In SS, students will identify the causes the American Revolution.

In Read 180, students will participate in independent reading, software, and small group. In small group, we will target specific reading/writing skills based on the needs of the group.

Be sure to study your
multiplication facts EVERY day!
We have a Turner Timed Test
every 2-3 weeks. Also
remember to get in a habit of
reading everyday!

What should be in my child's book bag?
