Content Connection:

In Math & Science, In math, we will determine the area and perimeter of given shapes. We will continue reviewing our multiplication facts. In science, we will identify and illustrate Earth's landforms and bodies of water.

In ELA & Social Studies, in ELA, we will work on persuasive writing, in ELA, we will work on persuasive writing, determining the narrator's point of view, identifying the meaning of prefixes and suffixes, identifying the meaning of figurative language, using context clues and answering literal an inferential questions. . During SS we will continue researching groups of settlers in the Carolina Colony and their contributions to its development.

In Read 180 Workshop, the students are learning how to write an explanatory essay. In Independent Reading, they are reading books on their levels and completing graphic organizers. In Software, they are working in each zone.
