Content Connection:

In Math & Science: In science, we will be studying animal adaptations. In math, we will be reviewing word problems and multiplication facts.

In ELA & Social Studies: In ELA we will identify the mood of a story, compare and contrast paired text, review adjectives, and make connections through our reading. In writing we will also continue working on text dependent writing. In social studies, we will begin researching the battles of the American Revolution.

In Read 180 Workshop: We are reading various text on immigrants and learning how to sequence events. In independent reading, they are reading books on their level and completing graphic organizers. In software, they are working in each zone.
