Content Connection:

In Math & Science, students will be working on graphing and multiplication. For science, students will have a test on Matter and will begin learning about Rocks and Minerals.

In ELA & Social Studies, we will work on Main Idea and Personal Narratives. In SS we will continue working on explorers.

In Read 180 Workshop, The students will begin reading "Up in Flames". The focus is on main idea and details. They will read independently, complete a comprehension graphic organizer, and take a quiz on their book. Also, they will work in software zones.
