Content Connection:

In Math & Science, students will be working on graphing. For science, students will begin learning about states of matter.

In ELA & Social Studies, we will work on Main Idea and working on finish a piece of writing. In SS we will continue working on explorers.

In Read 180 Workshop, The students will begin reading "Up in Flames". The focus is on main idea and details. They will read independently, complete a comprehension graphic organizer, and take a quiz on their book. Also, they will work in software zones.
