Content Connection:

In Math & Science, students will continue to work on using their time skills to determine elapsed time. For science, students will begin learning about states of matter.

In ELA & Social Studies, we will continue writing opinion pieces, learning about nouns, and focusing on using different reading strategies while reading folktales.

In Read 180 Workshop, The students will read "Smoke Jumpers" and identify the main idea and details. They will read independently, complete a comprehension graphic organizer, and take a quiz on their book. Also, they will work in software zones.
