

# Paper Chain Challenge

## Materials:

1 piece of construction paper

Scissors

Glue

## Rules:

- Your challenge is to work with your group to build the longest paper chain using ONLY 1 piece of construction paper.
- When time is called chains will be placed beside each other to determine which chain is the longest.
- Extra paper or replacement pieces will not be provided, so plan carefully before you begin cutting.
- You will be allowed 30 minutes to build your chain.
