

January 5, 2016

Dear Parents,

Science Fair time is just around the corner! The students are busy learning the Scientific Method and how to complete a successful science fair project. Science Fair projects must be brought to Woodruff Elementary on Tuesday, February 16, 2016. We will display projects in their categories within WES. They will be judged Tuesday afternoon. You will have the opportunity to view projects on Wednesday, February 17, 2016 from 9am to 1pm within the school building.

If your child is planning to enter the Science Fair, then he or she will need some type of display board. They can be made of different materials such as wood, thick poster board, etc. or they may be purchased in stores. For your convenience, we will be placing an order for display boards. The boards will be 36" x 48". The cost is \$3.00 each. Headers are optional. They are \$2.00 each.

If you would like to order a display board and/or a header for your child, fill out the form below and send it along with the money to your child's science teacher no later than Tuesday, January 26, 2016. Please try to send the correct amount of cash or check.

Thank you,
Math/ Science Committee

Cut here.-----

I would like to order ____ display board(s) at \$3.00 each.

I would like to order ____ header(s) at \$2.00 each.

Child's Name _____

Homeroom Teacher _____

The deadline for placing an order is Tuesday, Jan. 26.
