Content Connection:

In Math & Science, students will work on strategies to add multi-digit numbers. In science, students will go in-depth with the scientific method and process skills with the Great Banana Experiment.

In ELA & Social Studies, In ELA students are still writing personal narratives and learning about adjectives. This week the students will identify character traits as they are reading leveled readers. In SS, the students will begin a unit on the different regions of South Carolina.

In Read 180 Workshop 1, students will read "I Survived Yellowstone Fire" and identify the main idea and details. They will read independently and complete a comprehension graphic organizer for their book. Also they will work in software zones.
