### Content Connection:

In Math & Science, students will work on telling time to the nearest minute and learn about Newton's laws in our force & motion unit.

In ELA & Social Studies, In ELA students are publishing personal narratives. This week the students will identify character traits as they are reading leveled readers. In SS, the students will continue working on the different regions of South Carolina.

In Read 180 Workshop 1, students will read "I Survived Yellowstone Fire" and identify the main idea and details. They will read independently and complete a comprehension graphic organizer for their book. Also they will work in software zones.
