Content Connection:

In Math & Science, students will work on strategies to add multi-digit numbers. In science, students will go in-depth with the scientific method with the Great Banana Experiment.

In ELA & Social Studies, students will continue to learn about writing personal narratives, analyzing character traits, using context clues and identifying adjectives. In SS, the students will begin a unit on the different regions of South Carolina.

In Read 180 Workshop 1, students will read "I Survived the Yellowstone Fire" and identify the main idea and details. They will read independently and complete a comprehension graphic organizer for their book. Also, they will work in software zones.
